A summary of the learning programme evaluation report is attached for your perusal.

As a training provider, it is imperative that quality training is conducted against the national standard and quality assurance requirements. The learning programme training period will take on the lifespan of the qualification or the accreditation duration of the training provider or which ever date comes first. It is, therefore, the training provider's responsibility to ensure that the learning programme is updated and meets the necessary requirements. Training providers must re-apply for learning programme approval timeously and ensure that it is in line with the replacement Unit Standard.

In addition, it is the training provider's responsibility to request for a verification audit once assessments and moderation of learner achievements have been conducted. Please consult the Coordinator: Verification on 011 628 5028 to arrange for the verification visit.

The ETDP SETA would like to congratulate you on this achievement and your commitment to ensuring quality education is delivered to learners.

Yours sincerely

Nombulelo Nxesi
